

**This is what the  
"Wilderness Area"  
in Arizona looks  
like today.**

**Terrorists and illegals  
don't abide by our laws!  
They leave trails of trash,  
clothing, water bottles,  
human waste, and abandoned  
vehicles which destroy the  
natural beauty of our deserts.**

**This is NOT what  
we want for NM!**
